

Mom's Club and Dad's Club

The BCACS Mom's Club and BCACS Dad's club are parent organizations comprised of dads/moms (and of male/female role models) that have student(s) in any grade throughout the BCACS Preschool through twelfth grade school system.

The goals of the Dad's Club and the Mom's Club are to reinforce the mission of our schools:

Battle Creek Area Catholic Schools, in partnership with parents, community and the Catholic Church, provide students with an excellent education and a solid faith formation. Students will know the Faith, share the Faith and live the Faith.

These goals will be achieved by providing social, financial and faith support to our students and families. The activities and events will vary throughout the school year.

Your time, talent and treasure will be much appreciated! Meeting frequency and location will be shared on our BCACS website calendar and direct emails from the schools.

For further information, please contact your school office.

BCACS Band Boosters

The BCACS Band Boosters is open to all adults who are interested in helping to provide the “extras” for our BCACS students. The Boosters support all components of our BCACS Band Program.

The group meets monthly and works on various support projects, including: providing snacks for band students during special events and field trips, organizing after concert refreshments and assisting the band director with planning special events.

The group also sponsors annual fundraising events, such as a Pasta Dinner and a Car Wash. Proceeds from these efforts have provided our band with new uniforms, a large trailer to transport instruments, and instrument storage.

Officers are elected annually. For information on how to join the Band Boosters, please contact your school office.
