

Retired MLB player-Tim Redding to host a baseball clinic at St. Joseph School!

We are very excited to announce that former major league pitcher and pitching coach, Tim Redding, will host a six week baseball clinic right here at St. Joseph Elementary.

He not only brings with him 15 years of Major League baseball experience, but he will also teach your student about being coachable, understanding the game, fundamentals, and team play!

The clinic will take place once a week for six weeks.

Dates are as follows: 5/2, 5/9, 5/14, 5/21, 5/28, 6/5.

Sessions will start at 3:30 and end at 5:00. Please be prompt in picking up your athlete.

No experience or special equipment necessary. Your athlete will need appropriate comfortable clothing and a baseball glove.

We are inviting boys and girls, **kindergarten through 8th grade** to participate. **We co-op with Calhoun Christian for many of our high school sports and we are excited to invite their students to join us for this clinic as well.**

There will be multiple assistant coaches helping Coach Redding so all of your athletes will learn the love of the game. Thank you to Todd Westover and Jason Knickerbocker for assisting Coach Redding!

The cost is just \$60.00 per athlete. Parents will be required to sign a liability release and complete the registration form below.

This is an amazing opportunity for your future athletes. Please consider allowing them to join us for the baseball clinic of a lifetime!

Yes, I want my student to participate in the Baseball Clinic _____
