

We are thrilled to add this exciting new option to our SCRIP (School Cost Reduction Incentive Program). **We are adding a mobile/electronic option to the program!** This will allow you to have SCRIP cards at your fingertips and always available when needed! Think of friends and relatives who may not live in our area, who can join in electronically to reduce your tuition costs and support our schools!

The process could not be easier-read below to see how to begin reducing your tuition costs today!

- The program accepts payment through PrestoPay, a secure payment processing system available on ShopWithScrip.com.
- When you use PrestoPay, your order payment is transferred securely via electronic debit. You won't have to drop off any more checks!
- PrestoPay is not a credit card system, because credit cards charge fees that are costly for our scrip program.
- PrestoPay uses the same electronic payment transfer used by direct deposit systems. It's easy to use, and easy to get started!

1. Go to [www.ShopWithScrip.com](http://www.ShopWithScrip.com) and click Register, then click *Join a Program*.
