

February 24, 2021

Dear Parents,

This is to let you know that St. Joseph Middle School has one student that has tested positive for COVID 19. This student did not show any symptoms but was in attendance on Monday, Tuesday and Wednesday morning. Close contacts of this student have been notified.

We continue to follow strict health and safety protocols here at school, and continue to work closely with the Calhoun County Public Health Department. Please monitor for onset of symptoms related to COVID-19, including cough, shortness of breath, fever (temperature > 100.4°F), chills, repeated shaking with chills, muscle pain, headache, sore throat, or new loss of taste or smell. If you note any change in the health of your child, please contact your regular medical provider.

Please let us know if you have any questions or concerns.

Sincerely,  
Sara Myers, Principal
