

November 29, 2021

Dear Parents,

This email is to notify you that a middle school student has tested positive for COVID-19. It was determined that there are no close contacts in the middle school.

It is our role to inform all the families of our school of this recent news, and also to ask you to please monitor for onset of symptoms related to COVID-19, including cough, shortness of breath, fever (temperature > 100.4°F), chills, repeated shaking with chills, muscle pain, headache, sore throat, or new loss of taste or smell. If you note any change in the health of your child, please contact your regular medical provider.

We want to assure our families and school community that our staff continues to follow the comprehensive guidelines related to cleaning and screening students set forth by the Michigan Return to School Roadmap, Calhoun County Public Health Department and the Diocese of Kalamazoo.

Thank you!

Katy Arnson
Administrative Assistant
St. Joseph Middle School
