

January 10, 2022

Dear Parents,

This email is to notify you that two students have tested positive for COVID-19. Any close contacts have been notified.

It is our role to inform all families of our school of this recent news and to also ask you to please monitor for the onset of symptoms related to COVID-19, including cough, shortness of breath, fever, chills, repeated shaking with chills, headache, muscle pain, sore throat, or new loss of taste or smell. If you note any changes in the health of your child, please contact your medical provider.

We want to assure our families and school community that our staff continues to follow the comprehensive guidelines related to cleaning and screening students set forth by the Michigan Return to School Roadmap, CCPHD, and the Diocese of Kalamazoo.

Thank you,

Stacy Lightfoot
Administrative Assistant
St. Philip Catholic Central
