Marketing

- Second semester initiative was sent out for new students attending tuition free for the second semester, including: Google and Facebook paid ads, parish signage and handouts, parent emails.
- Results are LOTS of views, clicks and minimal new enrollment.

Facility Committee

- The committee is planning walk throughs at each campus building to determine needs and projects. Chris Rabbitt and Ashley Davis walked through St. Philip and are gathering a list. Once finalized, they will prioritize and implement improvements.
- A school safety grant will be submitted that will include securing mental health services for our families and students.
